

Dear Mr. / Mrs.,

Today I like to introduce some of our new products. I think they do match perfect to your distribution program.

(1) The new EA DOGXL160-7 provides with its 3.3" size also various backlight colors and optionally a touch panel. So there are the same advantages as the rest of the DOG-family do have. Exclusively this member is featured with SPI and I²C bus interface.

We do provide following parts:

EA DOGXL160B-7 160x104 dots, STN blue
EA DOGXL160E-7 160x104 dots, STN yellow/green
EA DOGXL160L-7 160x104 dots, STN reflective
EA DOGXL160S-7 160x104 dots, FSTN negative
EA DOGXL160W-7 160x104 dots, FSTN black&white

EA LED78x64-A LED backlight amber
EA LED78x64-B LED backlight blue
EA LED78x64-E LED backlight green
EA LED78x64-G LED backlight yellow/green
EA LED78x64-R LED backlight red
EA LED78x64-W LED backlight white
EA LED78x64-RGB RGB backlight, full color

As some accessories we do provide:

EA FL-16P Socket 16 pins
EA 9780-2USB Test board for PC/Windows with USB
EA USBSTICK-FONT Many character set with Font editor and Simulator
EA TOUCH160-1 Analogue touch panel
EA WF100-04S ZIFF Connector for the touch panel

(2) The success of the DOG-family stays unbroken.

That's why we rounded the series on the top with a XL version (see above) and on the bottom with the **EA DOGS102-6** (102x64 dots) as the smallest member with 39x41mm.

We do provide following parts:

- EA DOGS102B-5 102x64 dots, STN blue
- EA DOGS102N-5 102x64 dots, black&white reflective
- EA DOGS102W-5 102x64 dots, black&white transreflective
- EA LED39x41-A LED backlight amber
- EA LED39x41-W LED backlight white
- EA LED39x41-GR Duo-LED backlight green/red

As some accessories we do provide:

- EA FL-14P Socket 14 pins
- EA 9780-2USB Test board for PC/Windows with USB
- EA USBSTICK-FONT Many character set with Font editor and Simulator
- EA TOUCH102-1 Analogue touch panel
- EA WF100-04S ZIFF Connector for the touchpanel

Next we'll provide a new press release for those.

If there are any questions left, please feel free to contact me.

Best regards
